Hello Resource Parents,

I hope this letter finds everyone well. I want to start out by saying that we appreciate each and everyone of you for providing quality care to the kiddos we serve day in and day out. I know the current state of California is in disarray and we all have many questions regarding the COVID-19 epidemic. Karing 4 Kids values the safety and welfare of our staff, parents and minors during this difficult time. Beginning 03-18-2020, Karing 4 Kids FFA will begin alternating shifts for staff limiting them to work remotely from home on the days they are not scheduled to be in the office. Please be advised that we have a twenty-four hour on call social worker in both offices that will be available to assist with any needs that may arise. The agency has decided to conduct phone, skype, and face-time home visits until further notice for the protection of all involved parties. If a home visit is needed or a crisis arises, Karing 4 Kids FFA will support all needed face to face interaction as deemed necessary. Also provided in this correspondence are precautionary tips in limiting the transmission of the virus as well as a memo from Community Care Licensing with links and tips on self-care. Please have a 14-day supply of non-perishable foods available at all times in case a quarantine is ordered. Your Karing 4 Kids Social Worker will be reaching out to each resource home to assure a backup
