Top Tips for Halloween Safety **SAFE KIDS WORLDWIDE®**

1. Carry glow sticks or flashlights, use reflective tape or stickers on costumes and bags, and wear light colors to help kids see and be seen by drivers.
2. Join kids under age 12 for trick-or-treating.
3. Slow down and be alert! Kids are excited on Halloween and may dart into the street. Turn on headlights early in the day to spot kids from further away.
4. Remind kids to cross the street at corners or crosswalks.
5. When selecting a costume, make sure it is the right size to prevent trips and falls. Choose face paint over masks when possible. Masks can limit children's vision.

Reporting Incidents

All school incidents must be reported to your assigned SW as soon as possible. This includes all suspensions, detentions, medical incidents, and furthermore if you receive any communication from your student's school.

Incidents that occur should be reported immediately to either your current Karing 4 Kids Social Worker or our afterhours Karing 4 Kids Social Worker. They will be advising you of any next steps to take regarding any medical, behavioral, or personal matters that come up in your homes.

Remember, you can also call 911, take a child to the emergency room, or even call an ambulance should you feel that a situation warrants that level of care. We trust your judgement on these matters, but we also must know ASAP when things of this nature occur in your homes. When in doubt, call and ask questions.
